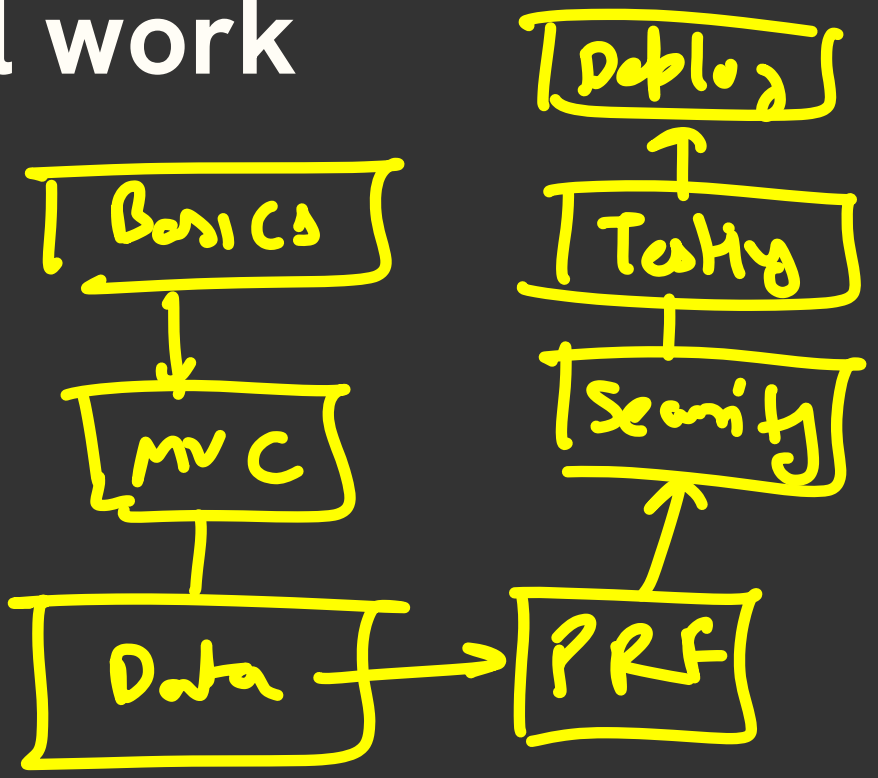
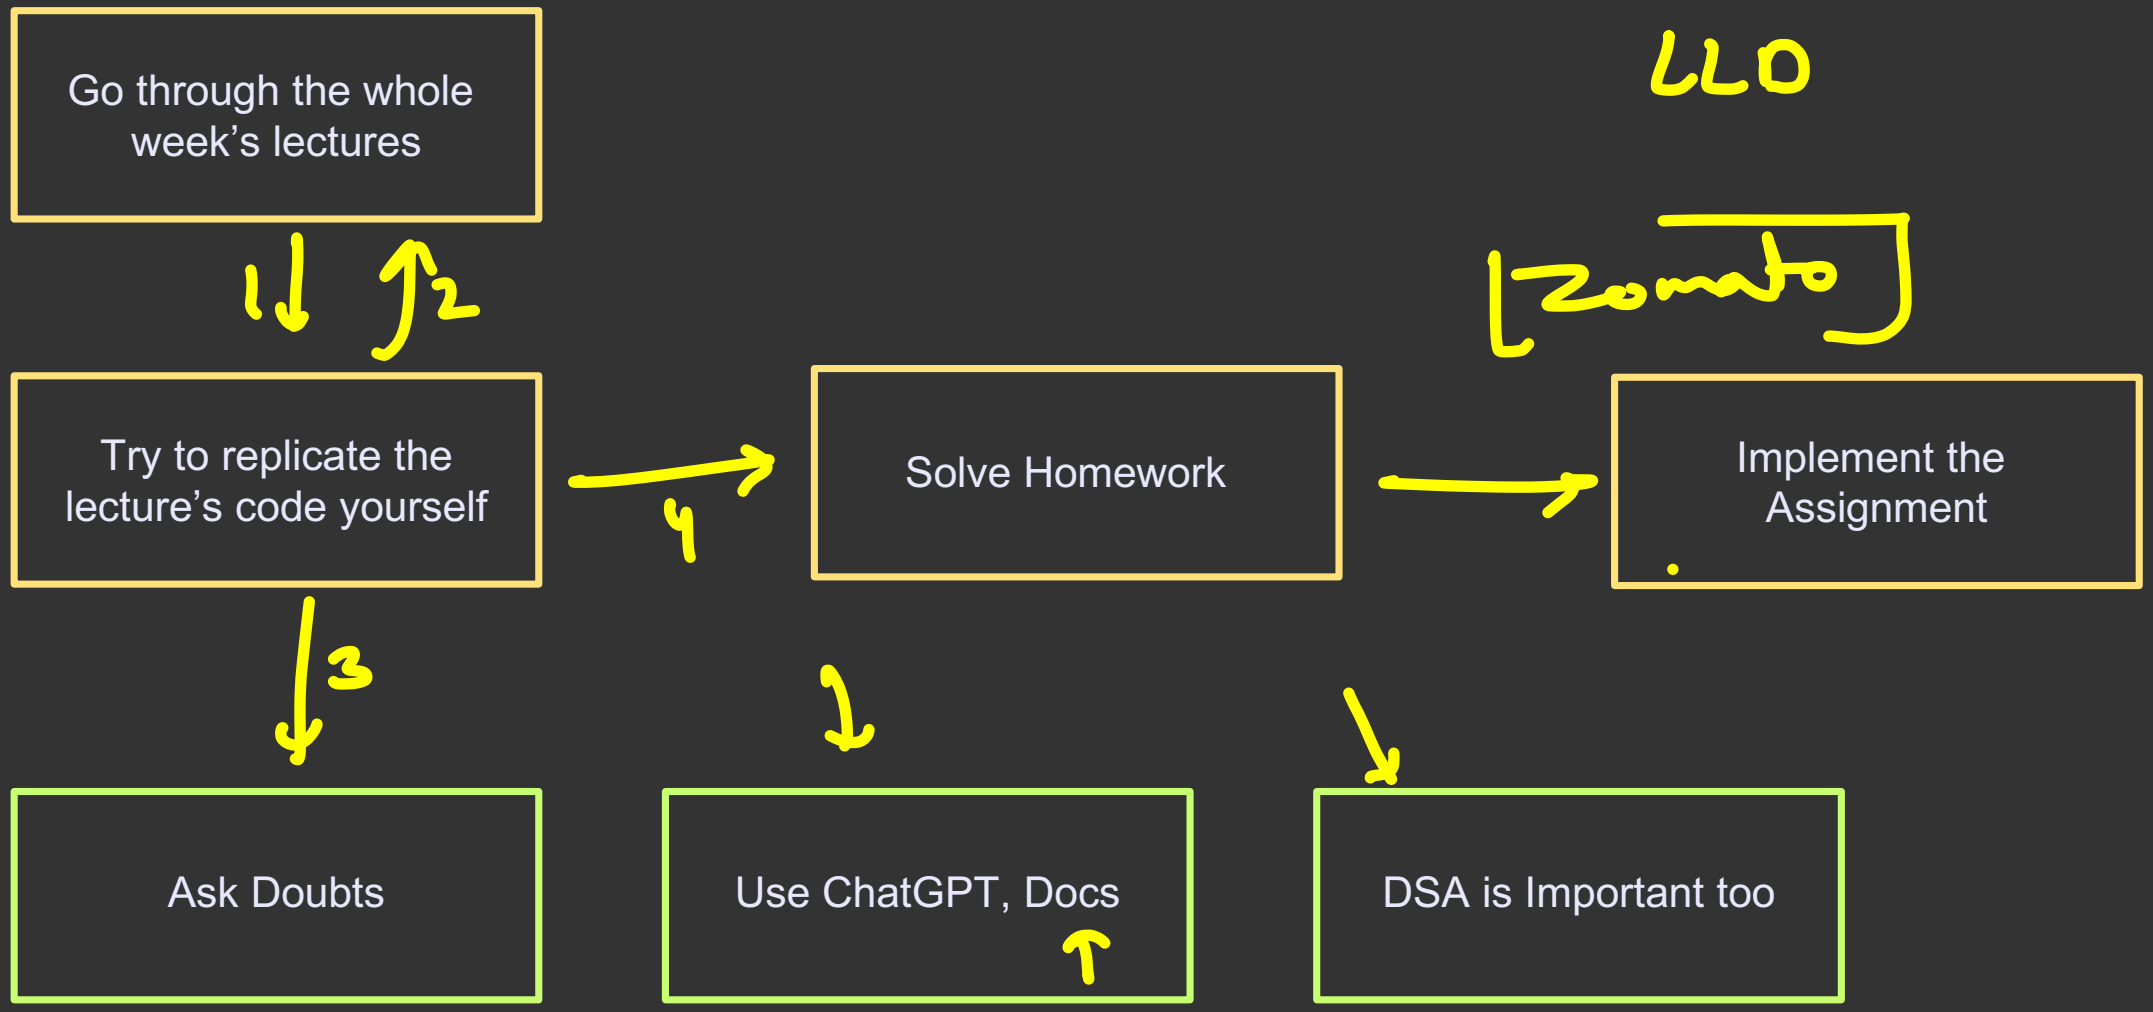
Project



Utilizing The Course



Get Discord Server Access

- Coding Shuttle Discord Server will be used for doubts solving, notifications, connecting with your batch mates, etc.
- Use your Discord server access OTP to gain access. This OTP has been provided to you via email, or on your Classroom dashboard.
- Go to the **#get-server-access** channel in the Coding Shuttle Server and copy-paste your OTP.

Contact @ codingshuttle.com

Asking Doubts

- Use the doubts-forum to ask lectures/course related doubts.
- For any other doubts/queries, use Email. Contact our team at contact@codingshuttle.com
- Use the format provided to you in the doubts forum to ask your doubts.
- Mark the doubt as solved by adding the Solved Tag once it is resolved.

Batch Leaders

- Batch leaders are the students who show initiative to help others in the cohort. Being active in the discord server and showing a learning + helping attitude.
- Batch leaders will be chosen by the admins.
- Batch leaders receive extra privileges in the Discord server.
